## PROFESSIONAL PROFILE

As a lifeguard, I have an extensive background in communicating, assisting customers, and solving situations. This experience has strengthened my critical thinking skills, communication skills, and team building skills over the years I have worked there. These skills help me excel in multiple roles and challenges that occur while on the job..

## EDUCATION

**Western University**  
Computer Science, First year  
2019-present

**Westside Secondary School**  
Highschool Diploma

## CERTIFICATIONS

**Standard First-Aid**  
2015-present

**NLS**  
2017-present

**Emergency First-Aid and AED**  
2014-present

**Smart Serve**  
2020-present

## WORK EXPERIENCE

### Lifeguard

Alder Street Recreational Centre | Orangeville | 2017 – 2019

Responsible for guarding and assisting patrons at the pool, opening/closing and sanitizing the facility, working in a team to ensure safety for the public in and out of the pool.

- Perform first-aid, solve and follow up with situations
- Sanitize changerooms, pool deck, and pool equipment
- Participate in staff trainings to improve our performance at work

### Camp Volunteer

Alder Street Recreational Centre | Orangeville, ON | Summer 2015

Responsible for assisting campers with activities, setting up activities with the camp counselors, ensuring the campers have a good time while at camp.

Fraser Lake Camp | Bancroft, ON | Summer 2016

For 2 weeks as a volunteer at an overnight camp, I was responsible for prepping activities, cleaning dishes after dinners, cleaning restrooms, and helping out campers to make sure everything runs smoothly.

## TECHNICAL SKILLS

Experienced in a variety of software platforms:

- Office 365, Microsoft Word, Microsoft Excel, Microsoft PowerPoint, Google docs, Google slides, python and java programming.
